The Mad Dog has moved to the Pacific Northwest. Now residing in a secure location near Portland Oregon, the Pantera driving race fanatic is now recruiting other Pantera owners/drivers into local open track events. His plan is to mix it up with other Panteras and use the local events as a recruiting tool to get more interest into Open Road Racing. The lastest decoded communique from the underground bunker follows:

Right now we have 4 Pantera's registered to run at Portland International Raceway Friday, May 3. And we have two more members (Mary Ann Antenucci and Doug Braun) planning to run their 'other' rides which should be just as much fun.

The link below includes 31 entries to date.

But of that number there are only 4 vintage automobiles entered and they are
All DeTomaso Panteras!
Think about that, as it is something we can all be proud of. That example pretty much follows every other open track or open road race event I have participated in up and down the west coast. No club ever shows up to race 3 or more vintage automobiles. It just doesn't happen EXCEPT with owner's of Pantera's.

So if you miss the link here are those planning to run:

1. Allen "Dick" Abraham

   1974 Pantera GTS

2. Matthew Abraham

   1974 Pantera L

3. Randy Grubb

   1974 Pantera L

4. Mad Dawg

   1972 Pantera

5. Mary Ann Antenucci

   2018 Alfa Romeo Stelvio

6. Doug Braun

   2015 Ford Focus ST

Others I know who are working/wrenching/painting/polishing a Pantera are
Lee Peterson, Ron Wade, and Dave Londry
. and probably others who are flying under the radar or those I forgot....but honestly when the SoCal boyz can't get more then one Pantera to Willow Springs what you guys have done is again something pretty cool.

And registration is still OPEN so if you think you can still get your Pantera or any other ride ready we would love to have you join us for the fun on that day. I think certain members of our group may have already placed some wagers of which I know nothing about

But its all about having some fun and enjoying some camaraderie. And that is exactly what we are going to do.

Everyone else?

Come out and join us.

Cascade Sports Car Club - Driver Education announces Cascade (CSCC) HPDE Track Day May 3rd, 2019 Friday, May 3, 2019 attendees at Portland Int'l Raceway, Portland, OR 97217 (9048) > Attendees | MotorsportReg.com
