Hosted at the Mojave Air and Space Park, this event returns for 2010, dates announced right now include March 6 2010. More information forthcoming on one of two websites: http://www.openroadracing.com/index.html or http://www.mojavemile.com/ (not yet up and running)

As more information becomes available, I'll try to build it up on the TPR web site.

Re:Return of the Mojave One Mile Shootout Posted by The Pope - 2010/02/14 01:14

website is up . . . anyone going? Mad Dawg?

Anyone signed up???
