A promotional poster for the 2017 Pantera Homecoming event. The title "Pantera Homecoming" is in a large, stylized red font, with "August 10, 11, 12 2017" below it in yellow and orange. A red Pantera sports car is shown in profile, split into four vertical panels. To the right, logos for "Proud Sponsors" include Ford (with a tagline "to reach with the past—embracing the future" and "Windsor/Essex Site") and Holiday Inn & Suites (Ambassador Bridge Windsor). A list of activities is provided: dinner with a Ford keynote speaker, a cruise across the international border, tours of the Edsel and Eleanor Ford Estate and the Essex Engine Plant, a homecoming cruise to Ford World Headquarters, and a registration fee of \$110 USD. A website link is also provided. At the bottom, it states "ALL PROCEEDS DONATED TO JDRF" with the JDRF logo. A small image of the Ford World Headquarters building is in the bottom right corner.

ALL PROCEEDS DONATED TO JDRF

Word from Gerry Romack, the current president of the [Pantera Owners Club of America \(POCA\)](#), tells us that Ford has just donated a 5.0 Coyote engine to raffle off at the Pantera Homecoming, Summer Fling event August 10-12, 2017.

### THAT'S NEXT WEEKEND!

The event consists of a tour of the coyote 5.0 engine plant, dinner with Raj Nair, a car show, an open tour of the Edsel Ford mansion with lunch provided and a group/individual picture at Ford HQ

It would seem the Pantera is beginning to get the recognition from Ford that it deserves.
