I once again want to welcome everyone to the 4-day Pocono Celebration of Speed and Design Concours and Track event Memorial Day weekend, Saturday May 23 thru Tuesday May 26, 2009. Jersey Panteras, along with Ferrari Club of America, The Maserati Club, Corvette Club of NE Pennsylvania, and the Viper Club of NJ organize, fund, and operate this non-profit event. Activities include an Auto-Cross, Scenic Pocono Mountain Cruise, a grand Marque Concours at the Inn at Pocono Manor, several terrific social events and dinners, and two full days of driving at Pocono Raceway. We have upwards of 180 fantastic cars at the event, including 30+ Panteras. I'm still hoping to hit my goal of 40+ this year.

For you track event fans, this could be a tough year for you: Several events since last summer reported DISMAL turnout, presumably due to the economic conditions. Clubs are reporting decreases in their planned track outings, and a couple of events are suspected to be scrubbed. Rest assured, due to the unified commitment of the above organizations, we are proceeding as usual, AND Pocono CSD is undoubtedly the best value event of its kind: Can you beat 2 days of 2.5mile road course for under \$400???? Don't get skunked. Make sure you get track time in with us.

Register early at www.pocono-csd.com

Also check out photos from last year at www.jerseypanteras.com

Hope to see you there,
Tony DiGiovanna
